CARTOON NOTES

This is it, everyone — the very first POWERPUFF GIRLS lettercolumn! Since this is a brand-new monthly comic, we don't have any letters yet, so we're printing some from the zillions of loyal POWERPUFF fans who write to Cartoon Network — and letting you and them know what they can expect in the comic. We would really like to know what you think or who you would like to see in future issues, so write or e-mail us today. For starters, we need a name for this lettercolumn. Send us your votes today — and we'll talk to you again next month!

Dear Ladies and Gentlemen:

I am writing to you because I have praise and a suggestion. I think POWERPUFF GIRLS is an excellent series. They are cleverly done, and it is extremely funny. The shows have ways of putting scenarios from life into fiction. They also have one quality for every girl. Bubbles is little, darling and cute. Buttercup is tough and rugged. Blossom has a good sense of fairness. I would like to suggest that a new POWERPUFF GIRLS episode have something to do with horses, either their saving one or a horse helping them.

Horses will definitely appear in the comic someday soon, but for now we hope you'll settle for a cute little squirrel...

Dear Cartoon Network:

Hi. My favorite show is **Eid, Edd n' Eddy**, and my second favorite show is **The Powerpuff Girls**. My favorite PPG is Bubbles, and my sister's favorite is Buttercup. A few weeks ago I thought about what an additional PPG would look like. Then I figured out exactly how she would look. She would have brown hair put up in pigtails with yellow ribbons. And of course she'd wear the official

Powerpuff Girls uniform, but in yellow. Consequentially, I couldn't think of a name. I wanted it to begin with "B" because Blossom, Buttercup and Bubbles all start with B's. Then I came up with the name Beauty. I've drawn numerous pictures of her. I've enclosed my latest one. Maybe if you guys want to add a new PPG to the team, you'll use Beauty? Thank you.
